About CAC AmeriCorps:

Established in 1994, CAC AmeriCorps is a national service program that combines elements of traditional conservation practice with community action that informs our work and places it in the broader context of the region. CAC AmeriCorps members serve to improve public lands, streams and greenways, educate the public, meet immediate human needs, eliminate barriers to employment, contribute to healthier lifestyles, and build volunteer capacity to enhance the ability of our partners to get things done. We are committed to human and environmental justice in our communities through enduring acts of service.

Position Summary:

The CAC AmeriCorps member serving at Cades Cove in Great Smoky Mountains National Park will assist tourists and guests to Great Smoky Mountains National Park by orienting visitors to recreational activities such as hiking, biking, fishing and other activities within GRSM. The member will share information about the GRSM's natural and cultural resources, provide interpretive programs, and rove trails to provide hiker information and trail cleanup.

The primary objective of the position is to independently provide high quality interpretive services through contacts in Cades Cove, formal and informal interpretive programs, and special event management assistance to improve the public's understanding and appreciation for Great Smoky Mountains National Park. Programs will be thoroughly researched and will meet National Park Service standards.

- A secondary objective of the member's service term is to provide a diverse and education experience to the candidates to strengthen their knowledge of the Agency and the work we do, while allowing them to see other career opportunities that are available.

Minimum Qualifications:

Qualifications: Applicants for the position will hold a minimum of a bachelor's degree and/or experience in environmental education, interpretation, biological sciences, natural resource management,
